McDonald's Ajax Sends Two to the Olympics!

Neely Arsenault, Manager at the Heritage Square location of McDonald's, and Melissa Quintanilla, mMnager at the Bayly St. location are two of only nine McDonald's employees from across Durham who are heading West to help staff McDonald's Restaurants in Vancouver & Whistler during the upcoming Olympic Games. McDonald's Restaurants from across the country qualified to send employees based on their performance across a number of quality and performance measures in the month's leading up to the selections. The fact that both McDonald's in Ajax qualified to send an employee was a significant accomplishment and owner Bradley Jacobson, who made the choice of who to send once his stores qualified, was thrilled to be able to select and recognize both Neely & Melissa for their exceptional work, not only over the past many months, but over the past many years. The two managers began as crew 15 years ago and worked as crew together through much of high school. Both ladies consider themselves passionate Olympic fans with figure skating and hockey being their two favourite Winter Games sports.
