

MCDONALDS GRAND OPENING

The new Westney & Taunton Road location grand opening was a great success despite that it was the coldest sunny day of the winter thus far. The brisk cold day did not discourage all of the new customers and officials that attended this event. The new McDonald's has employed 280 people in the community. They are greatly involved in the community with donations to many schools and community groups. McDonald's also supports the Breakfast Club at Ajax High School. With McHappy Day, McDonald's supports the new Toronto Ronald McDonald House & Grandview Children's Centre with the money raised from McHappy Day & their coin boxes.

Bradley, wife Robyn, MPP Joe Dickson, Marilyn, Ronald, Councillor Shaun Collier, Pat Brown, Joanne Dies & Kathy McKay
